

2009 WEST Cabernet Sauvignon Reserve

- 100% Cabernet Sauvignon
- Estate grown, West Crest vineyard
- Harvested October, 2009
- Aged 2 years in French oak barrels
- Released April 2016
- Alc. 14.1%
- Dry Creek Valley AVA

WEST Cabernet Sauvignon Reserve 2009 has prominent cherry and blackberry scents which continue on the palate with light spiciness, laurel, eucalyptus and cedar. The 2009 growing season started with a dry winter followed by a cool spring, temperate summer and fall which allowed for slow ripening and a multitude of flavors to develop. This wine was aged in French oak barrels for almost 2 years and bottle aged almost 5 years before its release spring 2016. Enjoy now or let it continue to evolve more complex flavors over the years until at least 2025.

Our Cabernet Sauvignon grows on our hillside property in the north end of the valley on west and south facing slopes. High above the valley floor with its morning fog the grapes get long warm and sunny day to mature with full and complex flavors.

West Wines is a family winery in Dry Creek Valley, Sonoma County owned by Katarina Bonde and Bengt Akerlind. Our winemaking style is inspired by French winemaking where long aging is part of the method and we have been exporting wine to Europe since 2004. We practice sustainable farming, minimizing the use of energy and water and using solar power. Between our wine rows we plant cover crops to create nutrition for the plants but also flowers who serve as a habitat for beneficial insects for pest control.

Winemaker is owner Katarina Bonde with consulting winemaker Phyllis Zouzounis. Katarina did her Winemakers Certificate at UC Davis and has hands on experience from crafting the portfolio of wines at West Wines. Phyllis began her winemaking career at Dry Creek Vineyards in 1980 and has been the winemaker at many prestigious wineries in Sonoma County.
