West Tuscan Cuvée is our tribute to Italy. In Tuscany the Sangiovese grape has always been a staple in their Chianti wines. Modern Italian winemakers blend it with **Cabernet Sauvignon** to create their famed Super Tuscan wines.

West Tuscan Cuvée is a fun and festive wine, rich in flavors of strawberry and raspberry, some spicy notes of cloves and cinnamon and an earthy body with well-rounded tannins. The wine was aged 26 months in French oak barrels before being bottled.

The Cabernet Sauvignon is grown on our hillside property in the north end of Dry Creek Valley and the Sangiovese grapes come from Russian River Valley, creating this Sonoma County AVA wine. The grapes are hand harvested and meticulously sorted before crushing.
